THE YEAR OF FULFILLMENT, 1962

1962. To many of us this means simply that we are one year older. To seniors this means the year of fulfillment. Plans begun years ago now have come to completion. Friendships formed earlier become deeper as the time for separation draws nearer. Seen in the perspective of graduation all activities have a meaning which they formerly did not have.

May this year bring all of you the joy you anticipated, and the success for which you have worked. As you move out into the life you have planned, may you have the satisfaction that comes from a job well done.

1962. The end of an era full of growth for you and the beginning of a life of independence and creativity.

A handwritten signature in cursive script, reading "J. H. Fowler". The signature is written in dark ink and is positioned in the lower right quadrant of the page.

FIRST ROW: Eleanor Weber, Mackie Plaster, Ann Woolery, Clayton Sellars. SECOND ROW: Ronnie Gehring, Doris Kittenger, Janet Marcontell.

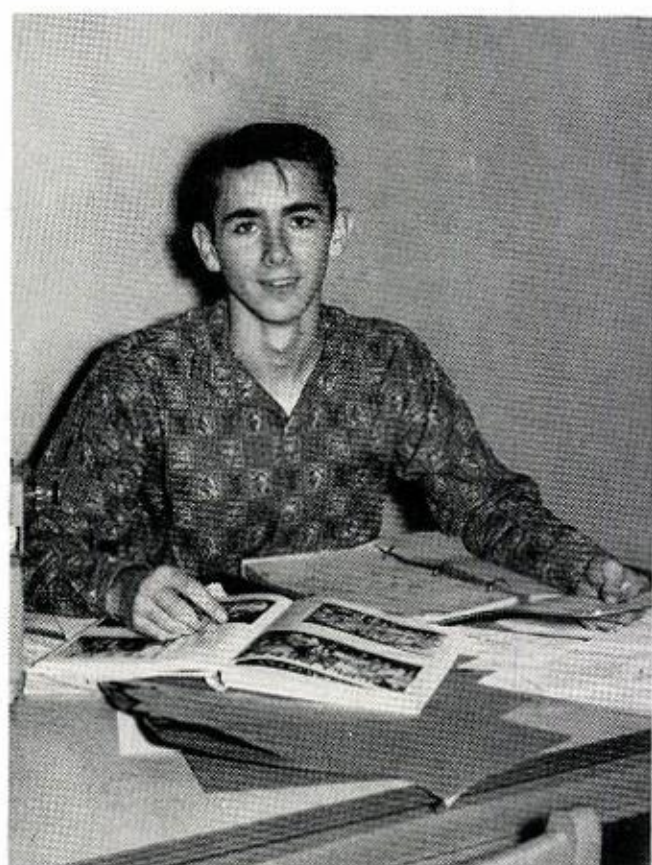

The CoLonNeh Staff is composed of students of the senior, junior, and sophomore classes. They must have at least a "C" average and be willing to work—simply for the love of working, since they receive no credit and no grade.

Although each staff member has qualifications which render him more capable of some jobs than others, he soon discovers that he works, not always where and on what he wants, but more on where he is needed. The CoLonNeh Staff is synonymous with cooperation.

"Here they come! The high-stepping Houstonettes of Sam Houston High School!" These familiar words are spoken at every football half-time just before some 150 Houstonettes march out and execute their precision drills. But drilling at football games is not all these hard-working girls do. They march at the Shriner's Ball and parades, sell poppies on Veteran's Day, sell magazines to buy their uniforms, usher at Open House, cheer at other school activities, and their Flag Corps puts out the student directory. However, it's not all work and no play for the Houstonettes. At their annual Mother-Daughter Banquet, the seniors receive their sweaters, a reward for three years of hard work. But the highlight of the special season for the Houstonettes and other students of Sam Houston is the Stardust Ball at which the Houstonette Honey is crowned.

The skill and general excellence of the Sam Houston N.D.C.C., has made them one of the most respected groups in our school. Not only do they have superior ratings, and many times, take first place in federal inspections, but also they have services which they perform for Sam Houston such as supplying flag bearers for auditorium programs. However, it is not all work for the cadets, for numerous social activities are included in their agenda.

The Patriotism Society's objective is to make students realize the importance of being and staying patriotic. The Society instills and intensifies Americanism and patriotism in the students. This year they adopted their constitution, had a guest speaker in an assembly, and participated in patriotic programs.

Joe Bonds, Eddie Phillips, Evelyn Plaster, and Eileen Shelley, are the speakers at an auditorium program and Cynthia Reece a soloist.

Mr. Adam thanks Mr. Corbett for speaking before an assembly.

This is our foundation.
